

Central Maine Power Vegetation Management “Tree Cutting” Public Notice

How residents can get entered on to the customer contact log (list) to be contacted prior to tree work being done. CMP will do not accept phone calls from customers it must be done as follows.

There are three ways –

- 1) Go to the CMP web site and click on their form to request contact. See below.

<http://www.cmpco.com/UsageAndSafety/TreeCare/default.html>

CMP's Tree Care Customer Contact Program

If you would like CMP to consult with you before pruning near your home or business, fill out the online [form](#). We will contact property owners as requested unless trees cause outages or pose an immediate hazard to public safety or service reliability. When we perform emergency tree work, we will not be able to consult property owners in advance.

Online Form looks like this:

If you would like CMP to consult with you before pruning trees near your home or business, fill out the form below. Thank you.

Please note: *If trees cause outages or pose an immediate hazard to safety or service reliability, we must perform emergency tree work and will not be able to consult with landowners beforehand.*

Please consult with me before non-emergency pruning or removing trees along public road(s) that borders my property.
