

City of Belfast
Voter Turn Out Information

This is the voter turn out for State and Federal elections in Belfast from November 1996 to November 2008.

Voter turn out is calculated by selecting the contest or race that had the most votes cast. For the years with Presidential or Gubernatorial races the total reflect those particular races. For the years with referendum questions only, you use the question that received the highest number of votes.

November 5, 1996 – Presidential contest, voter turn out	2934
November 4, 1997 – State Referendum question 1, voter turn out	1802
November 3, 1998 – Gubernatorial contest, voter turn out	2083
November 2, 1999 – State Referendum question 2, voter turn out	2099
November 7, 2000 – Presidential contest, voter turn out	3345
November 6, 2001 – State Referendum question 4, voter turn out	1007
November 5, 2002 – Gubernatorial contest, voter turn out	2746
November 4, 2003 – State Referendum, machine count (no one race)	2628
November 2, 2004 – Presidential contest, voter turn out	3955
November 8, 2005 – State Referendum question 1, voter turn out	2506
November 7, 2006 – Gubernatorial contest, voter turn out	3012
November 6, 2007 – State Referendum question 4, voter turn out	2307
November 4, 2008 – Presidential contest, voter turn out	3842
