RE: Capacity to Serve Request for Proposed Nordic Aquafarms Facility, Belfast, Maine

Dear Andrew,

This letter is to confirm that the Belfast Water District has the capacity to serve the proposed Nordic Aquafarm Facility at 285 Northport Avenue in Belfast, Maine.

As noted in the Water Supply and Purchase Agreement that was signed between Nordic Aquafarms and Belfast Water District on January 29th, 2018, the Belfast Water District agreed to supply up to 262 million gallons of water annually to Nordic Aquafarms.

Also noted in the agreement is that the District can deliver water to Nordic's facility at a rate up to 500 gallons/minute maximum.

Please let me know if you need additional information from the Belfast Water District.

Sincerely,

A handwritten signature in blue ink that reads "Keith Pooler".

Keith Pooler, Superintendent
BELFAST WATER DISTRICT
