Applicants shall be identified on the waiting list by date of receipt of the application. An applicant may elect to refuse a location offered and remain on the waiting list, in which case the next applicant on the list shall be selected. The waiting list shall be posted at City Hall and at the Public Landing. Payment of an annual fee is required to remain on this list which payment must be made by May 31st to maintain position on list. I hereby declare the information provided is to the best of my knowledge correct and complete. False information may result in the loss of mooring/moored float permit privileges.

Applicant Signature _____ Date _____

DEFINITIONS:

Resident: A person who occupies a dwelling in the City of Belfast for more than 180 days in a calendar year.

Shorefront owner:

- (1) Persons who, prior to January 1, 1987, owned shore rights of at least 100 feet of frontage regardless of the size of lot, in Belfast Harbor or water adjacent to the shoreline of the City, or
- (2) An owner of the shore rights of a parcel of land with the larger of the minimal buildable lot size in the municipality or 20,000 square feet and, in either case, including 100 feet of shoreline frontage.

Resident Commercial Fisherman: A person who occupies a dwelling in the City of Belfast for more than 180 days in a calendar year, who holds a commercial Marine License issued by the Department of Marine Resources, and who requires use of a moored vessel to earn a substantial portion of his or her income through fishing.

Resident Commercial Business: A business that has its principal place of business within the City of Belfast and that provides marine-related services including but not limited to construction, service, storage, or maintenance of vessels, mooring inspections, charters, launch services, or other services to boaters such as food or supplies. In order to receive a mooring permit, a Resident Commercial Business shall demonstrate to the satisfaction of the Harbor Master that it requires use of a mooring as an operational necessity of its business.

Non-resident Commercial Fisherman: A person who holds a Marine License issued by the Department of Marine Resources, and who requires use of a moored vessel to earn a substantial portion of his or her income through fishing, but does not occupy a dwelling in the City of Belfast for more than 180 days in a calendar year.

Non-resident Commercial Business: A business that provides marine-related services including but not limited to construction, service, storage, or maintenance of vessels, mooring inspections, charters, launch services or other services to boaters such as food or supplies, but does not have its principal place of business within the City of Belfast. In order to receive a mooring permit, a Non-resident Commercial Business shall demonstrate to the satisfaction of the Harbor Master that it requires a mooring as an operational necessity of its business.

Rental Moorings/Moored Floats: Use for which any type of fee is charged. Must be approved by Army Corps of Engineers (ACOE).

Service/Commercial Moorings/Moored Floats: Use not for sale or rent. Must be approved by ACOE.
